SHERIFF JOHN AND THE BIG RED GOOSE were the cause for all the excitement in back of Torrance Bootery last Saturday. Such is the sheriff's influence that one of his child admirers who happened to be ill this Saturday persuaded his mother to drive by just to get a glimpse of Sheriff John. The sheriff was one of the featured attractions at the opening of Torrance Bootery, 1333 El Prado.

SOMETIMES HE MADE SENSE and sometimes he didn't were the attitudes of the audience toward Wild Red Berry who appeared as part of the Kitchen Carnival last Saturday at McMahan's furniture store. Manager O. R. Trueblood discovered that proximity did not help much in the matter of comprehensibility.

#### Charla Standage Edits El Camino Yearbook

With the theme "Operation Build-Up," the 1953 yearbook of El Camino College, the Warrior, has been sent to the printers.

Editor Charla Standage, Torrance, said the theme was chosen to signify the extensive building program that is being conducted on the El Camino College campus. The 1953 book will be 144 pages, the largest in the history of the college.

Final proof sheets were sent to the printers this week and delivery of the final product is expected around June 12, Miss Standage said.

### Harbor Adult Ball League Will Play

Harbor Adult Softball League play will begin in the first week in June, it was reported.

There are still a few openings in the minor division and the fraternal league for teams that are interested in that type of play.

Any teams interested in competing are urged to contact Bob Hodgins, Harbor Sports Director at 435 Neptune, Wilmington or call TE 44700, it was announced.

Diamonds are now available for team practice. All Leagues are played at night at various Harbor fields. These recreational leagues will be played under the sponsorship of the L. A. Recreation and Parks Department and the Harbor Softball Association.

### Need of Home Instructors for Next Year Voiced

With the increased enrollment in our schools it is probable that the school will have to make provision for more than one teacher for home teaching next year.

There are twenty-six pupils on the roll for home teaching at the present time. With this number it is impossible to make more than one visit to any pupil. Twenty pupils is usually considered a maximum load for a home teacher, it was reported at the last meeting of the Board of Education.

There are several pupils who are in need of two visits per week to complete particular assignments and courses. Therefore, arrangements have been made with one of the substitute teachers to devote one day each week to home teaching. She has been given five of these pupils who are making satisfactory progress with one visit a week and is giving each of them one hour of instruction on this assigned day.

Lincoln was right, of course; you can't fool all of the people all of the time—but then—at election time, you only have to fool a majority!

### New Chairs, Tables Bought

Tubular steel chairs in the amount of \$3,788.75 and adjustable and browsing tables in the amount of \$5,765.80 for a total of \$9,554.55 have been purchased by the Board of Education.

### Revival Services Held, Scheduled

The Harbor City Revival Tabernacle, Normandie at 256th, began revival services last night with the Musical Vonderploeg Evangelistic Party. These evangelists have been conducting revivals in some of the city's largest churches. They play a large variety of musical instruments and are reported to have been having great success in their recent meetings. The church hopes to erect a tent to continue services after about a week. Rev. Fred Martin, pastor, cordially invites the public to attend these services, it was announced.
